

SPACE

DIVISION

## COMMUNICATE, COLLABORATE, LEARN.

The workplace has evolved from a siloed structure into a more fluid space where employees must find areas to do focused work as well as collaborative work. Ghent provides solutions for both needs with tools to communicate and space defining furniture.

Space division, display solutions, wall-mounted and mobile whiteboards and glassboards from Ghent functionalize and complete spaces throughout the workplace. With durable materials and carefully considered construction, each markerboard and display case carries a warranty fit for a corporate environment. With custom sizes, surface materials, and frames, we are confident you will find the perfect visual communication tool that fits your needs and brand.

Ghent has been the leader in the visual communication market for over 40 years, providing superior products such as whiteboards, glassboards, mobiles, bulletin boards, enclosed boards, easels, display solutions and open concept space division furniture.

## WARRANTIES

Quality and performance are hallmarks of our products. We guarantee all products to be free from defects in material and workmanship. If any product fails to perform under normal use, Ghent will replace it. At the end of the day, we want our customers to say, "That's Exactly What I Wanted!"

## SHIPPING

Arrives as expected, guaranteed. Ghent's Dura-Packed packaging ensures products are protected throughout their journey. Through extensive research and development, a team of in-house and outside engineers developed custom packaging specifically created to protect each product through its shipping journey. Additionally, Ghent has some of the quickest lead times.

# DEFINE

## Create Space, Not Walls

The furniture of today has to work harder than ever to serve employees' changing needs in the office throughout the day. Combining display furniture with visual communication tools such as glassboards, tackable fabric boards, storage, and integration, Define offers a cohesive approach to space planning. Its nearly limitless configurations and options work seamlessly in the workplace, particularly open plan spaces.

# PALLET

## Reshaping Open Office Floor Plans

Designed to fit the needs of today's open-plan workspaces that are mobile, cooperative, and configurable,

Pallet provides space delineation while allowing environments to feel open and airy. In addition to being an innovative way to create microzones, Pallet forms collaborative workstations for meetings, brainstorming sessions, and even impromptu desks through optional accessories. Pallet encourages the open office
