BRING YOUR STORY TO LIFE

Create a beautiful display case that tells the world who you are.

A DISPLAY THAT IS TRULY YOURS

Display cases give you the opportunity to highlight your culture, history, accolades and treasured pieces, all of which represent who you are and what matters to you. Waddell is honored to help share your story with the world by creating products with configuration in mind.

With durable materials and carefully considered construction, each fully customizable case is built to last the lifetime of your building. We are confident your case will not only keep your accolades secure but make them the focal point of your space.

SHOW THE WORLD WHO YOU ARE

One case does not fit all. The level at which we offer customization echoes our belief that display cases are storytellers. We want you to experience feelings of pride, joy, nostalgia and confidence with every glance you take. Communicate what is important and memorable to you through photographs, accolades, mementos or even collectibles. It's your case, introduce who you are and what you value.

MAKING CUSTOMIZATION WORK

With so many combinations to choose from, there are a few things to consider before bringing your case to life.

- **What memories and accomplishments do you want to share?**
- **What does your company believe in or advocate for?**
- **Where will your case be located?**
- **What colors and finishes will compliment your décor or fit your brand?**

All of these considerations will give your case a look and feel that tells your story best.

THE DETAILS MAKE THE DIFFERENCE

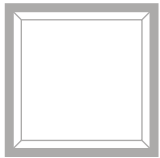

Once you've thought about the stories you want to share, the items you want to display, and how your case will integrate into your space, it's time to bring it all together in the finishing touches. Every aspect of our Recessed display cases are made from materials that will stand the test of time, staying vibrant for years to come. Feel, match, and compare our wide range of finish options to be assured they match your vision.
