

# PALLET MOBILE

Supporting today's workflow in open offices, Pallet Mobile rediscovers the need for configurable work solutions, abandoning the one-size fits all approach. Pallet Mobile is the perfect solution for team members without a permanent desk or for those that need to create temporary walls for space division. Modular shelving, cubbies, and whiteboard accessories allow it to be used differently day-to-day. Pallet Mobile works alone or in tandem with Pallet Wall and Pallet Display, encouraging both personalization and collaboration.
