PALLET WALL

Designed to fit the needs of today's open-plan workspaces that are mobile, cooperative, and configurable, Pallet provides space delineation while allowing environments to feel open and airy. In addition to being an innovative way to create microzones, Pallet forms collaborative workstations for meetings, brainstorming sessions, and even impromptu desks through optional accessories. Pallet encourages the open office concept to accommodate the way you and your team work.

PALLET MOBILE

Supporting today's workflow in open offices, Pallet Mobile rediscovers the need for configurable work solutions, abandoning the one-size fits all approach. Pallet Mobile is the perfect solution for team members without a permanent desk or for those that need to create temporary walls for space division. Modular shelving, cubbies, and whiteboard accessories allow it to be used differently day-to-day. Pallet Mobile works alone or in tandem with Pallet Wall and Pallet Display, encouraging both personalization and collaboration.
